RECORD CASE 80 VINYL

U93017BL, U93017SL

We, at UDG have further fine-tuned already a great design concept of our flight case into one specially for the most discerning DJ/producer. Constructed from aluminum thus providing an extremely stable structure with lighter weight compared to traditional flight cases.

The UDG Ultimate Record Cases are designed to keep your vinyl protected from accidental damage when you transport it to and from gigs. They're compact and lightweight yet tough enough to keep your valuable records safe.

FEATURES

- Fits approximately up to 80 12"/LP vinyl records
- Lighter weight than traditional flight cases
- Black Diamond finishing surface
- Corrosion resistant aluminum profiles with strong rounded corners
- Fully-lined with high density foam protective padding
- Ergonomic & sturdy carry handle
- Strong butterfly lock and solid metal hinges
- Rubber feet at the bottom for support in standing position
- Several additional rivets for improved solidity
- Capacity will depend on the thickness of the records & their packaging
